ESSEX COUNTY — SUBURBAN STREET ADDRESS DIRECTORY

Census Data

The 2002 Edition of the City Publishing Company Street Address Directory for Essex County — Suburban, will have on every street possible the census tract for that street listed under the street directional guide. Included will be the tract number, house number range and a relative wealth rating. This wealth rating is based on the 1990 census using average household income as the basis for the rating. A tract will be coded $1, $2, $3, $4 or $5 with $1 being the lowest average income area and $5 being the highest average income area. Census tract maps follow this page in the directory giving the geographic reference for each census tract.
